# Catholic Mobilizing Network

Educate • Facilitate • Advocate

Catholic Mobilizing Network (CMN) proclaims the Church's unconditional pro-life teaching and its application to capital punishment. CMN works in close collaboration with the U.S. Conference of Catholic Bishops and state Catholic Conferences to prepare Catholics for informed involvement in campaigns to repeal state death penalty laws.

**CATHOLIC MOBILIZING NETWORK**  
TO END THE USE OF THE DEATH PENALTY

*Promote Restorative Justice*

*"Ending the death penalty would be one important step away from a culture of death and toward building a culture of life."*

*-A Culture of Life and the Penalty of Death*

United States Conference of Catholic Bishops, 2005

The Catholic Conference of Illinois, in collaboration with the United States Conference of Catholic Bishops and the Catholic Mobilizing Network, is supporting the U.S. Bishops' Catholic Campaign to End the Use of the Death Penalty. As a result, a workshop for the directors of religious education and other parish leaders is being offered to educate and encourage action on the abolition of the death penalty in Illinois. Attendees will take what they learn and share it with other parishioners to spread the message of the Catholic Mobilizing Network and the United States Conference of Catholic Bishops. The Illinois Coalition

to Abolish the Death Penalty will also be present to discuss current advocacy efforts in Illinois. The Catholic Conference of Illinois will be offering this workshop on September 16, 2010 at two locations. Although mainly focused toward respect life coordinators, religious education directors and social justice leaders, we encourage anyone to sign up. Any questions or for more information, please contact Marilou Gervacio at 312-368-1066 or [gervacio@catholicconferenceofillinois.org](mailto:gervacio@catholicconferenceofillinois.org)
