

DIOCESE OF BELLEVILLE

June 30, 2009

Dear members of the Diocese of Belleville,

Please find attached a letter from the Illinois Conference of Churches to Governor Quinn regarding our position on the state's budget and our moral imperative of providing adequate care for all our citizens. If you have not yet spoken with your legislators, please do not wait. Pick up the phone or send a letter indicating your support of a budget which fully funds services to those in need.

God's peace,

Fr. Bob Flannery
