

# Winter Dinner and Speaker

## Sponsored by Sadlier

Sadlier will be sponsoring Victor Valenzuela as the presenter. Victor is a National Religion Consultant for Bilingual Resources for William H. Sadlier, Inc. He has been in ministry for 20 years including classroom teaching and youth ministry. Victor's dynamic presentation style engages participants in "hands on" learning so that catechists walk away with ready to use activities. He utilizes multiple intelligences in his presentations so that all participants can fully participate in the learning process.
