Empowering People of Faith to Develop a Passion and Thirst for Justice

Just FAITH

Many of us long to become more generous and compassionate, but there are few opportunities to help us grow in this area.

JustFAITH provides a lively and challenging opportunity to read, discuss, pray, experience and be formed by Catholic Social Teachings and the Scriptures as they relate to the poor and vulnerable in our community, nation, and world.

JustFAITH is a thirty-week formation process that explores the intersection of spirituality and social justice. Meeting weekly, groups employ books, videos, lecture, discussion, prayer, retreats and hands-on experiences. The intent is to provide a tapestry of learning opportunities that emphasize and enliven the remarkable Catholic Social teachings and justice traditions of the church.
