RE: IRS Mileage Rate Change

---

On December 3, 2009 the Internal Revenue Service issued the new Standard Mileage Rates allowable for the business use of a personal vehicle. Effective January 1, 2010, the Standard Mileage Rate has been decreased to \$.50 per mile.

Please make note of this change as it will affect the reimbursement payable to employees and also the amount claimed by the clergy on their Accountable Reimbursement Plan.

Should you have any questions, please feel free to call the Finance Office.
