RE: Parish and Agency Resource Rates

---

At their quarterly meeting held on June 22, 2010 the Board of Directors of the Parish and Agency Resource Fund reduced the interest rate paid on deposits held by the Fund from 2.75% to 2.25% effective August 1, 2010.

As you are aware, most banks and money market funds are currently paying much lower than 2.25%. The board remains committed to providing a more than competitive rate to our parishes and agencies.

The interest rate on loans from the Parish and Agency Resource Fund will remain at 5.00%

On behalf of the Board of Directors, thank you for your continuing support of the Parish and Agency Resource Fund.
