## CATECHUMENS and CANDIDATES INFORMATION

To: Pastors and Parish Life Coordinators  
From: Liz Quirin, editor, The Messenger

Every year, *The Messenger* prints the names of those who will be initiated into the Catholic Church at the Easter Vigil. These catechumens and candidates have been formed in the faith through your loving care and constant attention and that of your parish catechists.

We believe that *The Messenger* can continue to inform them about issues of faith. Your gift subscription to those who are joining your parish family can be a reminder of your continued interest in their faith formation and development. An annual subscription to *The Messenger* is \$23.

If you would like to give your catechumens and candidates a gift subscription, please check the appropriate line, and we will be happy to bill you.

Please include the names of all catechumens and candidates so that they can be recognized in the Easter edition of *The Messenger*. If you have any questions, please contact the Messenger office at 235-9601 or [pschilling@diobelle.org](mailto:pschilling@diobelle.org). Deadline to submit names: Friday, March 1, 2010.
