Messenger Renewal Weekend is February 6-7, 2010. First, we thank you for supporting The Messenger, and we do value that support because your personal encouragement makes a difference in our subscription numbers.

We know that in the present economic situation, folks are having a difficult time. The Messenger's budget comes from only two sources: our subscriptions and our advertisers. We do not receive financial assistance from the diocese.

Please encourage your parishioners to subscribe to The Messenger. Subscription cost is \$23.00 per year, the cost for the past five years. Although our printing, paper and mailing costs have risen in the past year, we are not raising subscription prices.

The Messenger can be used as a resource and tool for evangelization and continued faith formation in Catholic schools, PSR and RCIA programs, small faith communities and sacramental preparation for baptism, first reconciliation, first Communion, confirmation and marriage.

If possible, please place the following bulletin insert in your bulletins the weekends of Jan. 30-31 and Feb. 6-7.

MESSENGER RENEWAL WEEKEND-Where can you find out what is happening in the Diocese of Belleville, a neighboring parish or one across the state? Where can you find stories of faith from many areas of the diocese, across the nation or around the world? The Messenger, your local diocesan newspaper, brings news of events important in your parish, your diocese and the universal church. Please stay "connected" through a subscription to The Messenger. Annual subscriptions are \$23.00 (less than one month of cable TV), and envelopes are provided in your parish envelope packet.
