

To All: Priests, Deacons, Parish Administrators, and Parish Life Coordinators:

A training class for the administration of the Prepare Pre-Marriage inventory is being offered at St. Mary Parish School in Belleville. The Class will be held:

February 18th
8:30 to Noon
in St. Mary School Meeting room B.

This training session will qualify as a counselor, provide you with your counselor number and resource kit, as well as teach you to administer the inventory online.

At the present time, Prepare is a pre-marriage requirement for all couples planning to marry in the Belleville Diocese. If you are not a registered counselor this is your opportunity.

There is a registration form attached for you and/or any member of your parish you would like to qualify for this important ministry.

If you need more information, feel free to call me.

God's blessings

Deacon Gerry Bach
