Connect, Awaken & Share

PROFESSIONAL DEVELOPMENT WORKSHOP

The CONNECT, AWAKEN & SHARE workshop will provide you with new and creative ways to engage parents in the faith formation of their children through a series of activities, interactions, stories, reflections, and prayers. The facilitators model the approach and the energy that can help you connect more effectively with parents. Some ideas and activities presented during the workshop include

- **Who Fanned your Faith?:** This exercise helps participants recognize who shaped their faith and how.
- **Listen-Up Sponges:** This fun do-it-yourself craft encourages family sharing while also helping everyone be a better listener.
- **Sacramental Connect-The-Dots:** This interactive lesson helps parents make the connection between family life and the sacraments we celebrate at church.
- **Family Sunday:** Help parents make the most of Sundays as a time to connect as individual families and as a parish family at Mass.

For more information on the CONNECT, AWAKEN & SHARE workshop, visit www.loyolapress.com/workshops
