RE: Small Christian Community Resource for Spring 2011

It has been 10 years since RENEW and small Christian communities were introduced into the Diocese of Belleville! Many faith sharing groups continue to meet in homes and parishes across the diocese. There have been requests from these groups, pastors and others parish leaders to recommend quality resources that will continue to nurture and edify. Additionally, these parish groups found value in ongoing training for Small Christian Community facilitators.

With the changes to the *Roman Missal* approaching Advent 2011, the Office of Worship is pleased to recommend a resource that can be used with Small Christian Communities to help them prayerfully prepare for the changes. This resource is recommended for use in the parishes of the Diocese of Belleville during Spring 2011. Our resource booklet is entitled:

"Every Time You Do This...."
Preparing for the Reception of the Revised Roman Missal
A Resource Booklet for Small Christian Communities

This booklet published by Region VII of the Federation of Diocesan Liturgical Commissions is a resource that provides guidance for discussion on the changes of the people's parts of the Roman Missal in a concise format.

The Office of Worship has scheduled six workshops in February (one in each deanery) to introduce this booklet to Priests, Parish Life Coordinators, Directors of Religious Education, Coordinators of Small Christian Communities and Coordinators of Parish Adult Faith Sharing/Formation. These presentations will also include a training component for facilitators of Small Christian Communities.

At these workshops each person present will be able to preview a copy of **"Every Time You Do This...."** and learn how to purchase or download this resource to share with the members of your Small Christian Community core committee. **Please return the enclosed registration form by January 24.**

If you have any questions, please call me at 618-235-9601, ext 1442. Thank you and God bless!
