This event is being co-sponsored by Our Lady of Mt. Carmel's Daughters of Mary and Daughter's of Isabella.

I met Sarah at National Catholic Youth Conference (NCYC) in Indianapolis in 2000 and have been an avid fan of her music, her ministry and Sarah, herself. The manner in which this event came to pass is clearly Spirit inspired. I initially made a re-connection with her through Facebook to tell her about how I wished she could hear the grade school kids sing a song of hers (You Alone). The day I contacted her, she said she had just found a copy of one of my CDs (I had given it to her at NCYC) and she couldn't remember where she'd gotten it. One of my St. Joseph/Marion parishioners emailed me from her vacation home in Florida, the very next day, and raved about a women's retreat she had attended and she asked if I knew Sarah Hart.

I am excited to serve as coordinator and contact person for this event.
