E-PRAYERBOOK FOR OUR BROTHERS AND SISTERS IN HAITI –

Now, more than ever, we need to stand with our Haitian sisters and brothers, both those in Haiti and their friends and relatives around the world worried about their well-being.

This e-prayerbook, *A World on Its Knees* compiled by Sister Kathryn James Hermes, FSP is a useful way to focus intentions and be in spirit with those who need us most. Let's get this into the hands of millions of people around the world who can't go to Haiti in person but can pray.

The Haitians are giving us an impressive example of faith and prayer. Let us lift up their needs now in the hope that they will be able to rebuild their lives, their church, and their nation.

This e-prayerbook is free. Download it here.
