

The Office of Worship presents:

Creating an Effective Mystagogy

Reverend Dennis Chriszt, C.P.P.S., Presenter

You've seen how powerful the catechumenal process can be. You've been moved by the initiation rites themselves. And you've been amazed how often the process seems to stop immediately after baptism, sometimes with the neophytes disappearing altogether. It does not have to be that way! By using a mystagogical method, Reverend Dennis Chriszt gives you a roadmap through each stage of the catechumenal process. In the end, you can expect your neophytes to not only stay with the process beyond Easter, but to be more engaged in your parish — and in the world.
