STATEMENT OF THE PETITIONER

It is my duty to provide the Tribunal of the Diocese of Belleville with all required documents as well as a complete, current, and accurate list of all my witnesses. I agree to inform these witnesses that the Tribunal will contact them. I will make myself available to give personal testimony should this be requested by the Tribunal.

I will cooperate and respond swiftly to all requests. I will read the pamphlet entitled "THE ANNULMENT OF A MARRIAGE IN THE DIOCESE OF BELLEVILLE."

If the Tribunal finds reason to decide this case, there is no guarantee that the final determination will be favorable to me. I also understand that no guarantee can be given to me about a completion date of this annulment process.

I understand that I may not set a date for any future marriage in the Catholic Church until, and unless, an affirmative decision is given, and if appealed, approved by a second ecclesiastical authority. I understand that no Priest, Deacon, or Parish Minister may provide me with even a tentative date for a future marriage in the Catholic Church.

The final decision depends wholly on the merits of the case, the evidence, and the exact reasons which the Church recognizes as grounds for nullity. I understand that if an affirmative decision is reached, that (a) either the Defender of the Bond or my former spouse may appeal it; and (b) stipulations against a subsequent marriage may be placed on me, pending an assessment of my readiness to live out a sacramental marriage. Either of these may delay my ability to set a date for a forthcoming marriage in the Catholic Church.

Because of the sensitive nature of the information gathered in this process and because the Tribunal wishes to promote the spirit of Christian charity, all the information gathered in the course of this investigation is considered the exclusive property of the Tribunal of the Diocese of Belleville. This information is never made available except as required by Church Law for inspection by the Petitioner or the Respondent or their Procurator/Advocates. The judge may curtail the availability of the information, even to a party. The information is not made available to the witnesses or for any civil proceeding.

I understand that it is my responsibility to keep all information about my case in confidence. I am not to discuss the questions I am asked or any other information with anyone except the Tribunal personnel assigned to my case. I understand that, should I speak about the case with my witnesses, I may cause their testimony to be inadmissible by the Tribunal.

If one or more of my witnesses will not cooperate, it is my responsibility to provide the Tribunal with more names and addresses of those who are willing to testify.

I understand that my former spouse must be contacted in this matter.

I will inform the Tribunal of any future change in my name, place of address, or civil marriage status. I understand that my failure to submit or to cause others not to submit any required testimony or material within six months from the date I sign my formal petition will cause the case to be abated automatically. This means that I will have to start the whole process over if I wish to pursue my case.

I AGREE TO COOPERATE FULLY WITH THE TRIBUNAL AND TO BE BOUND BY THE POLICIES IN THE ABOVE STATEMENT. I SWEAR THAT THE TESTIMONY WHICH I SUBMIT WITH THIS APPLICATION AND PETITION IS THE WHOLE TRUTH.

I hereby request the Tribunal of the Diocese of Belleville to investigate this marriage with a view to making a decision as to whether or not that union is valid under the laws of the Catholic Church and to take whatever steps seem necessary to effect such a judgment. I agree to accept those officials who will be asked to serve as Judges, Defender of the Bond, and Procurator/Advocate. I believe that my marriage was not what the Catholic Church considers a valid, sacramental union for the following reason(s), WHICH EXISTED FROM THE VERY BEGINNING OF THE MARRIAGE:
